Chapter 1 by Ashley Ponce

I was told, " You are my only love". I stayed even when every time I turn the corner I see all the girls you've loved before me. What am I supposed to do, feel or say? Who Am I? what am I supposed to do to make you feel free. You know that perfection doesn't exist.

Chapter 2 by Kara Davidson

Not even you are perfect. You lie to me and twist your words to get what you want. Nothing you ever say is sincere. Yet, I can truly say to you "You are my only love." You are the first person I have ever loved. And I don't think I will ever truly love anyone else. That is the reason I stay despite your lies. My only wish is that someday it will get better and you will truly love me the way I love you.

Chapter 3 by thelastunicorn

But you have never actually loved me. I can't believe I've been so stupid. You've only been ignoring me. I had trusted you. I had spent most of my days thinking about you. I had truly loved you. Now you've thrown that all away. You've moved on. I've seen you with her, if you didn't notice me

Chapter 5 by Laurel

How easily my love for you has turned into this rage inside of me. Every time I see you with her it just fuels the fire of my hatred. It's too hard to try and love you anymore, to just dismiss your lies and just hope you never do it again. I'm done trying, I tried for too long and I got hurt worse and worse each time. There's only so much pain a heart can take before it shatters and turns into stone. I will never feel the way I felt for you again for the rest of my life and it's all because of you. And the truth is that you don't even care. You left me so easily and all I could do was watch you leave. I used to think of you and everything in my life would be okay, now I think of you and I want you to suffer immensely for your sins. I want you to feel the pain that I endured. I don't want another girl to trust you and get her heart broken. Your torment will stop, I will find a way to stop you.

Chapter 6 by artemis_lune

That's why despite you leaving me to be with her, I am still here. I live in *our* home, with *our* pets. I kiss you goodbye daily on the cheek as you walk out the door to meet *her*. I see *the* every day as I think about how you are breaking another heart.

I do everything as I normally would do; I do the chores, I feed *our* pets, and I feed *you*. I am simply now waiting for the right moment to end this cycle of suffering you impose on others. I believe the only way to do that is to end *you*.
